

## **Giant Schnauzer Club of America, Inc. (GSCA) Awards Programs**

The following awards, presented at the National, are based on American Kennel Club (AKC) records, AKC titles, IPO titles, and GSCA points earned in the previous calendar year by Giant Schnauzers whose primary owner is a club member (i.e. for a Giant Schnauzer to be eligible for the 2016 awards presented at the 2017 National, the physical owner needs to be a member in 2016 and 2017). Membership affiliation due to a breeder co-ownership does not qualify.

An owner must be a GSCA member at the end of the award year and by March 31 of the year receiving the award. This requirement is to facilitate the administrative processing of awards and to clarify that new members are eligible for awards even though their membership did not start at the beginning of the calendar year.

All trophies and awards will use the dog's official AKC name and titles at the end of the award period (i.e. December 31, of the award period). If a member's Giant Schnauzer is recognized in multiple award programs, only one award per year will be given. All awards will be printed on one item. Members, at their full expense, may request two separate awards.

Off-leash control is required for advanced titles. To earn points in this category, the Giant Schnauzer's owner must provide documentation of having qualified for a title from a breed club with an AKC-recognized carting/draft program.

<sup>4</sup> AKC recognition program: Includes all AKC crossover titles, except Fly Ball. The GSCA board, October 10, 2017, expanded the Versatility program and did not include AKC Fly ball titles due to this sport being a team sport and not based on the individual dog.
