**Currently, the AKC does not provide a monthly statistics report related to Scent Work. Therefore the GSCA is unable to validate and calculate earned Q's or placements.

We are only receiving AKC title reports specific to scent work. As soon as the AKC compiles a report the GSCA will work to update all Scent Work data. At that time the GSCA will report the titles and their corresponding point values.

Scent Work is judged on a qualify / non-qualify basis. The GSCA rating system does not include score points for scent work.
